

WRRC HF NET PREAMBLE

As of: 10 December 2007

Call up on 3.985 MHz 1900 Hours (L)Every Thursday

Before beginning the Net the Net Control Station Operator should check to see if anyone needs to use the repeater. "This is _____ (Call sign). Does anyone need to use this frequency before we begin the West River Radio Club Emergency Services Net?" (Pause)

Calling the WRRC net (say this twice)

This is _____ (Call sign) calling the West River Radio Club Net.

The West River Radio Club Net meets every Thursday evening at 1900 hours local time on 3.985 MHz. All licensed amateurs hearing this Net Control Station are welcome to join the net.

Your net control this evening is _____ (call sign); my name is _____ (first name), and I am located in _____ (town).

The purposes of this net are:

- To serve as a bonding mechanism for members of the WRRC and hams in southern Vermont and the surrounding areas

This is a **directed net**. Stations are not to "break" the net by calling other stations directly. Always go through the NCS.

Any station desiring to check-in to the net, please come now with your call sign, name, and location. (Remember to ask for additional check-ins after the initial call up, "Are there any further check-ins for the WRRC net?")

(NCS: proceed down the list of net check-ins asking for comments – ("N1nnn, this is K1nn, Your comments for the net.")

This has been a regular session of the WRRC Net. Net Control thanks all that participated,

The NCS may want to wish all a good evening, 73 and a reminder that we look forward to having you check in again next week on Thursday at 1900 Hrs (L)

Thanks for your participation. At this time I return this frequency to regular Amateur use at _____ (L). This is _____, out.

WRRC ARES NET PREAMBLE

As of: 10 December 2007
